

During inclement weather, call 301-619-7611 or 1-800-256-7621 for immediate information as to any closures or delays in the operating hours of Fort Detrick. This line is recorded immediately upon a decision to delay or close the post. This is your best source of up-to-date and accurate information. Please do not call the Provost Marshal office.

Number for Hearing Impaired Employees: 301-619-2293

Below is the list of radio stations that are notified of any closures or delays for Fort Detrick during inclement weather.

Note: If you do not hear an announcement on the radio, the post is open and everyone reports at their normal operating time. In the case of inclement weather, if you cannot make it in to work due to the road conditions, call you supervisor and request unscheduled leave. Emergency personnel who must still report to work during inclement weather should be identified by their organization.
